In case the Railway Receipt weight (actual weight) of such materials as are chargeable on the basis of sectional weight is within above prescribed weight tolerance (except in case of those tested materials which allow only a plus tolerance, e.g. Boiler Plates) the sectional weight should be accepted as correct.

5(ii) if the Railway Receipt weight is less than the sectional weight by more than the prescribed tolerance limit Railway Receipt weight should be charged.

If the Railway Receipt weight is more than the sectional weight by more than the prescribed tolerance limit sectional weight should be charged.

TEA BOARD

NOTIFICATION

Calcutta, the 25th January 1962

The Government of India have decided to place a sum of Rs. 5 crores at the disposal of the Tea Board to enable it to grant long term loans to tea estates for replanting, replacement and/or extension of suitable tea areas. Tea Estates intending to avail of the loan assistance are advised to send their applications to the Tea Board in the prescribed form to be obtained from Board's Office in Calcutta, Madras, Coonoor, Cochin and Palampur (Kangra). The detailed scheme is as follows:—

Tea Plantation Finance Scheme

Introduction:

1. The Tea Plantation Finance Scheme provides for advancement of loans by the Tea Board to tea estates for replanting, replacement and/or extension of old tea areas.

Eligibility:

2. The scheme will apply to all owners of tea estates above 20 acres provided it is established to the satisfaction of the Board that they are not in a position to undertake the replanting, replacement and/or extension in respect of which loan has been applied for, out of their own resources The question as to whether for the purpose of the scheme a party should be considered as being unable to carry out such replanting, replacement and/or extension without the financial assistance applied for would be determined by the Chairman of the Board.

Application for Loan:

3. (i) Owners of tea estates interested in the scheme may submit applications addressed to the Chairman, Tea Board in the prescribed form to be obtained from Board's office in Calcutta, Madras, Coonoor, Cochin and Palampur (Kangra) and shall furnish such additional particulars as may be called for by the Board for disposal of the applications.

(ii) The applicant will be required to furnish a declaration to the effect that he has not obtained any loan from any source for the purpose of replanting, replacement and/or extension in respect of which loan assistance from the Board has been applied for.

Sanctioning Authority:

4. (i) The Board on consideration of the applications will, at its discretion, advance on the terms and conditions stated in this scheme, and on such other terms if any as it may think fit, and in such manner as it considers best, loans to owners of the tea estates who may in its opinion be considered deserving of such help against securities to be furnished by the loanees.

(ii) In the case of those applications which will be covered by security mentioned in clause 7 (1) (A) of the scheme, the concurrence of the financing Bank concerned shall be obtained by the Board before sanctioning the loan.

Conditions for Replanting:

5. (i) The site and soil of the land to be planted with new tea should be satisfactory for purposes of tea cultivation so as to make the replantation, replacement and/or extension economically worthwhile for the garden concerned. The Board may depute any person for verification, if and when considered necessary.

(ii) In cases where planting is intended to be carried out in an area which was previously planted with tea, the land must have been left fallow for a period of not less than 12 months from the date of uprooting the old teas.

(iii) The new planting should be carried out on the approved site in such manner and with such planting material as may be prescribed by the Board.

Limits of Loan Assistance:

6. (i) The Government of India has agreed to place a sum of Rs. 5 crores at the disposal of the Board, which will be treated as a revolving fund for the purpose of granting loans under this Scheme.

(ii) The amount of the loan shall be limited to Rs. 3,000 per acre or Rs. 7,400 per hectare to plains gardens, and Rs. 4,000 per acre or Rs. 9,900 per hectare, to gardens in hilly areas recognised by the Board as such; and the total amount of the loan to be advanced will be calculated by applying this rate to the area shown in individual applications as intended for replacement, replanting or extension, to the extent that such area is approved of the Board.

(iii) The estate should be capable, in the opinion of the Board, of repaying the loan in prescribed instalments, having regard to its existing economic condition and the expected improvements as a result of the replanting, replacement or extension for which the loan is applied for.

(iv) The Board will have the right not to grant a loan or to grant a reduced amount of loan on any application without assigning any reason.

Security for Repayment of Loan:

7. (1) *Primary Security*:

(A) (*Where title to the property is pledged with a Bank as collateral security for yearly crop hypothecation loan*):

A tripartite agreement, containing the following provisions, shall be executed by the bank, the Board and the loanee simultaneously with, but immediately after, the execution of the mortgage of the property represented by the title deeds held by the bank as collateral security, in favour of the Board:—

(i) The title deeds of the property covered by the mortgage will be retained by the bank, and the security created by the registered mortgage will rank *pari passu* with that created by the equitable mortgage in favour of the bank.

(ii) The loanee will be at liberty to raise additional finance for the purpose of working capital in the ordinary course of business,

(iii) When additional finance for working capital is so raised, the charge created by the equitable mortgage will be modified to cover the extended limit of the bank's advances and, when this has been done, the security in the Board's favour under the registered mortgage will be automatically modified so as to rank *pari passu* with the security held by the bank under the equitable mortgage for the increased limit.

(B) (*Where title to the property is free of any encumbrances*):

(i) The loanee shall furnish a minimum security of twice the value of the loan applied for by mortgaging the fixed assets of the estate, the valuation of which should be made by an independent valuer to be approved by the Board.

(ii) The title to the property to be mortgaged to the Board should be clear and marketable and there should be prior lien or charge subsisting on the fixed assets of the estate.

(2) *Additional Security*:

(i) *Personal Guarantee*—On the merits of the primary security offered in individual cases, it will be open to the Board to have the loan additionally secured by a personal guarantee from a director of the loanee company, or from a managing agent or a broker or a financier; or to ask for such other additional security as may be deemed necessary by the Board.

(ii) *Insurance*—In suitable cases, the Board may require the loanee to insure the property mortgaged to the Board or any part thereof, against loss or damage by fire, earthquake, flood or any other similar danger, with Insurance Companies approved by Board.

Disbursement of Loan:

8. (i) Each loan sanctioned by the Board, will be due for disbursement as follows:—

Phasing of Payments

Instalment	Stage of payments	Instalment amount for plains gardens	Instalment amount for hill gardens
		Rs. (Per Hectare)	Rs.
1st	Within one year of sanction	2,500	3,800
2nd	Not earlier than expiry of 12 months and not later than the expiry of 24 months from the date of payment of 1st instalment provided the planting has been carried out satisfactorily	2,500	2,500
3rd	Within one month of the anniversary of payment of 2nd instalment	1,200	1,200
4th	Within one month of the anniversary of payment of 3rd instalment ..	1,200	1,200
5th	Within one month of the anniversary of payment of 4th instalment ..	..	1,200
		7,400	9,900

If loans are sanctioned for amounts lower than Rs. 7,400 or Rs. 9,900 per hectare as the case may be, the instalments mentioned above will not be reduced, but disbursements on account of each instalment except the last will be made upto the amount indicated against that instalment and the amount of the last instalment will be the amount remaining undisbursed out of the sanctioned loan.

NOTE—(1) Disbursements on account of any loan sanctioned by the Board will have to be completed not later than the seventh anniversary of the date on which the first instalment is drawn and any amount remaining undisbursed on the seventh anniversary will lapse and will not be available for being drawn by the applicant or loanee.

(2) If the loan application indicates that the applicants' intention is to carry out new planting on a phased programme, then each instalment of the loan payable will be separately calculated on the basis of the area of planting to be carried out in the particular calendar year in accordance with the phased programme.

(ii) The Board may disburse the first instalment of the loan in anticipation of the execution of a registered mortgage deed by the loanee, after a preliminary check by such means as it thinks fit, of the property to be mortgaged to the Board, and after obtaining a suitable undertaking from the loanee agreeing to the creation of such mortgage.

(iii) The Board will have the right of refusing an instalment of the loan, if it is not satisfied that the previous instalment has been properly utilised.

(iv) In case the Board finds that any money advanced by it has not been utilised for the purpose for which it was advanced, the whole amount of loan will become immediately repayable. In such matters, Board's decision will be final.

Repayment of Principal and Interest on Loan:

9. (i) The loan will be repayable over a period of 8 years in the manner shown in Appendix I.

(ii) The loan will carry interest at 7 per cent per annum, with a rebate of ½ per cent for punctual payments of principal and interest on the due dates. The rate of interest is subject to alteration from time to time, but such alteration will not be applicable to the instalments still remaining to be drawn under any existing loan sanctioned at any prescribed rate of interest.

(iii) The interest shall be paid separately on the expiry of every twelve months from the date of disbursement of the first instalment of the loan.

(iv) On a written request from a loanee, the Board may, if it is satisfied as to the reasons for the delay in payment of an instalment towards repayment of the loan, allow the loanee an extension of time for the payment of such instalment by a period not exceeding six months from that date, provided that if any such extension is granted by the Board, the loanee shall be liable for the payment of interest at 7 per cent without rebate for the period of the extension on the amount in respect of which the extension is granted and provided further that if any amount in respect of which an extension of time has been granted by the Board is repaid within the extended time limit, the loanee shall not be liable to pay any other penalty and shall be entitled to rebate in the rate of interest in respect of any amount which may be outstanding thereafter on account of the principal.

Other Terms and Conditions:

10. (i) *Distribution of profits*—During the period the loan is due, the loanee shall undertake not to pay dividend or distribute annual profits beyond the following limits, without the prior consent of the Board:—

(a) Where the loanee is a company other than a company governed by the provisions of Section 23A of the Income Tax Act, 1922 or Sections 104 to 109 of the Income Tax Act, 1961, in excess of the average dividends declared during the preceding 5 years.

(b) Where the loanee is a company governed by the provisions of Section 23A of the Income Tax Act, 1922 or Sections 104 to 109 of the Income Tax Act, 1961 in excess of the profits or dividends required to be distributed under the applicable Section.

(c) Where the loanee is an individual or a partnership, in excess of the average profits distributed or utilised in the opinion of the Board outside the concern during the preceding 5 years.

(ii) *Commitment Charge*—The loanee shall undertake to pay commitment charge @ 1 per cent per annum on the amount of the instalment of the loan which he fails to demand within the time-limit for the disbursement of that instalment, from the date of expiry of the time-limit to the date on which the instalment is actually drawn. The commitment fee may, however, be waived for any satisfactory reason provided the loanee notifies his intention not to draw the amount on the due date or to draw it on any other date to the Board in writing at least three months before the date of expiry of the time-limit.

(iii) *Annual Report*—The loanee shall send annual reports to the Board stating the progress of replanting/replacement and/or extension and giving an account of the money spent for the purpose, in such manner as may be prescribed by Board.

Inspection:

11. The Board may carry out or cause to be carried out, such investigations, including inspection of the applicant's estate(s), for the purpose of varifying the accuracy of the particulars furnished in the application, or otherwise, for examining the working condition and further prospects of the estate, for assessing the financial position and creditworthiness of the applicant, for looking into the replanting/replacement and/or extensions carried out and for such other purpose as may be decided by the Board. The loanee shall fully co-operate in such an investigation and place at the Board's disposal such information and records as may be required by the representative of the Board.

Amendments:

12. The Board reserves the absolute right to amend, amplify or abrogate, in its discretion, any of the terms and conditions of the scheme without notice.

Administration:

13. The Chairman, Tea Board or any other officer nominated by him will administer the scheme on behalf of the Board.

14. Stamp duties, registration fees, and any other expenses incurred in connection with the execution of contracts or other documents for the purposes of this scheme shall be borne by the applicants or loanees.

15. Any application for a loan under this scheme shall be deemed to have been made or sanctioned in accordance with the conditions mentioned in this scheme, and the provisions of this scheme shall be deemed to be, or to have been incorporated in every contact between an applicant or a loanee and the Board in pursuance of this scheme.

16. This scheme will be reviewed at the end of 31st March, 1964 but any decision which may be taken as a result of the review will be without prejudice to the rights or liabilities of the Board or of any applicant or loanee or any other person, accruing under this scheme before the date on which such decision is taken or enforced as the case may be.

विषय:—आयात स्थानापन्नता के लिए तकनीकल पेनल।

संख्या आई एण्ड एम-11(2)/62.—पहली तथा दूसरी पंचवर्षीय योजना के दौरान जो औद्योगिक विकास हुआ है, उसके परिणाम-स्वरूप अब यह सम्भव हो गया है कि काफी उद्योगों में बड़े पैमाने पर आयातों की कटौती की जा सके। फिर भी, विकास की गति तेज होने के कारण, आयात की आवश्यकताएं बढ़ गई हैं और उपलब्ध विदेशी मुद्रा साधनों पर काफी बोझ पड़ रहा है। अतः वर्तमान परिस्थितियों में देश की वर्तमान क्षमता का प्रभावशाली ढंग से उपयोग करना जरूरी है। इसके लिए यह आवश्यक हो गया है कि फालतू पुर्जों, घटकों और कच्चे माल के विदेशी मुद्रा के विनियोग को आयात बचत के निश्चित कार्यक्रम के साथ जोड़ कर आयात स्थानापन्नता प्राप्त करने के लिए व्यवस्थित कदम उठाए जाएं। यह निश्चय किया गया है कि आयात स्थानापन्नता के लिए उच्चस्तरीय विशेषज्ञ तकनीकल पेनल का गठन किया जाए। यह पेनल अनुरक्षण आयात प्रतिस्थानापन्नता की तकनीकी तथा अन्य सम्भावनाओं की जांच करेगा तथा विशिष्ट कार्यक्रम बनाने के लिए उचित कार्रवाई करने के लिए सिफारिश करेगा। इसके अलावा यह पेनल इन समस्याओं का अध्ययन करेगा और निम्नलिखित उद्योगों के अनुरक्षण आयात को खासतौर से ध्यान में रखते हुए उनके आयात स्थानापन्नता के बारे में सिफारिश करेगा:—

(क) वायलरों, सीमेंट बनाने की मशीनों, कागज बनाने की मशीनों, डेयरी मशीनों तथा क्रेन सहित औद्योगिक मशीनों तथा पुर्जों;

(ख) डीजल और पेट्रोल इंजिनों सहित आटोमोबाइलों तथा छोटे-मोटे सामान;

(ग) पाइल चलाने वाले उपकरणों, मिट्टी हटाने वाली मशीनों और कृषि ट्रैक्टरों सहित निर्माण उपकरणों;

(घ) रेल के डिब्बों, उपकरणों तथा सामग्री;

(ङ) बिजली के उद्योगों;

(च) धातु शिल्प मशीनों जैसे बेलन मिलों, फौंडरी सामग्री, तार बनाने वाली मशीनों, मशीन औजार, आदि वैज्ञानिक और औद्योगिक उपकरणों;

(छ) अलोह धातुओं, रेलों, रबड़, कलई इत्यादि के लिए स्थानापन्नता;

(ज) रसायन और रंग सामग्री

2. यह पेनल यदि आवश्यक समझे तो अन्य संबंधित उद्योगों का अध्ययन भी कर सकेगा। सम्बन्धित व्यक्तिक उद्योगों का अध्ययन समाप्त करने पर, पेनल उनके बारे में सिफारिशें कर सकता है और अन्तरिम प्रतिवेदन दे सकता है। यह पेनल व्यौरेवार प्रस्तावों को प्रस्तुत करने के लिए सम्बन्धित उद्योगों के सहयोग से विशेष विशेषज्ञ दलों का गठन तथा यदि आवश्यक समझे तो पेनल या विशेषज्ञ दलों में ऐसे सदस्यों को सहयोजित कर सकता है जिन्हें वह आवश्यक समझे।

सामुदायिक विकास, पंचायती राज और सहकारिता मंत्रालय

(सामुदायिक विकास और पंचायती राज विभाग)

नई दिल्ली, १३ अगस्त, १९६२

संकल्प

संख्या ४/७९/६१-पंच.—पंचायती राज की मूलभूत आवश्यकताओं में से एक आवश्यकता यह है कि पंचायती राज संस्थाओं को हस्तान्तरण द्वारा या अन्यथा पर्याप्त साधन सुलभ होने चाहिए जिससे कि वे अपने दायित्वों को निभा सकें। मोटे तौर पर इन साधनों का वर्गीकरण निम्न प्रकार किया जा सकता है। केन्द्रीय तथा राज्य सरकारों द्वारा अनुदान और ऋण के रूप में सौंपे गए साधन, पंचायती राज की ऊपर की संस्थाओं द्वारा नीचे की संस्थाओं को अनुदान और ऋण के रूप में सौंपे गए साधन, जिन करों, शुल्क, उपकरों को ये संस्थाएं लागू कर सकती हैं उनसे होने वाली आय, इन संस्थाओं द्वारा विकसित की गई आमदनी देने वाली परिसम्पत्ति से होने वाली आय और समाज सेवी नागरिकों द्वारा दिए गए उपहार व दान और लोगों द्वारा दिए गए स्वैच्छिक अंशदान। स्वायत्त शासन की केन्द्रीय परिषद् की पांचवीं और छठी बैठकों में तथा १९६१ में हैदराबाद में हुए राज्यों के पंचायती राज मंत्रियों के सम्मेलन में पंचायती राज संस्थाओं के साधनों को मजबूत बनाने के तौर-तरीकों पर विचार किया गया और इन विषयों के बारे में सिफारिशें की गईं—राज्य सरकारों द्वारा इन संस्थाओं को मालगुजारी सौंपना, इन संस्थाओं द्वारा लगाए जाने वाले कर और विभिन्न आमदनी देने वाली परिस्थितियां जिनकी पंचायतें विकास कर सकती हों।

तीसरी पंचवर्षीय योजना में इस बात का निश्चय किया गया है कि केन्द्रीय और राज्य सरकारों के पास कितने साधन होंगे और विभिन्न कार्यक्रमों के अन्तर्गत उनका आवंटन भी किया गया है। योजना में दिए गए इन आवंटनों, प्राथमिकताओं और भौतिक लक्ष्यों पर दृढ़ रहना आवश्यक है। इस पर भी बहुत से विकास कार्यक्रम पंचायती राज संस्थाओं के जरिए लागू किए जाने हैं और इन संस्थाओं को, योजना में किए गए विनिधान की कमी को पूरा करने के लिए अपने साधन बढ़ाने होंगे जिससे निर्धारित भौतिक-लक्ष्यों की पूर्ति की जा सके। जो पंचायती राज संस्थाएं अपनी इच्छा से बड़े कार्यक्रम आरम्भ करना चाहती हैं उन्हें स्वयं उनके लिए अपेक्षित अतिरिक्त साधन जुटाने होंगे। इसलिए इस सम्बन्ध में यह निर्धारित कर देना आवश्यक होता है कि कौन से साधन राज्य सरकारों द्वारा पंचायती राज संस्थाओं को सुलभ किए जाएंगे, किन शर्तों के अधीन साधन सुलभ होने चाहिए और किन साधनों को पंचायती राज संस्थाएं स्वयं जुटा सकती हैं। पंचायती राज संस्थाओं को अपने साधनों को बढ़ाने के लिए इस बात की आवश्यकता होगी कि कर एकत्रित करने वाले संगठन तथा जोर-जबर्दस्ती से कर वसूल करने के तरीकों को सुधारा जाए। एक प्रासंगिक प्रश्न यह भी है जिस पर विचार करना है कि पंचायती राज की विभिन्न स्तरों की संस्थाओं में साधनों का उचित बंटवारा हो।

२. ये और दूसरी सम्बन्धित समस्याएं कुछ समय से भारत सरकार के ध्यान में हैं। तदनुसार भारत सरकार ने एक अध्ययन टोली नियुक्त करने का निश्चय किया है जो इन समस्याओं का विस्तृत अध्ययन करेगी और अपनी सिफारिशें पेश करेगी। अध्ययन टोली का गठन निम्न प्रकार होगा:—

प्रधान

श्री के० संथानम, सदस्य, राज्य सभा।

सदस्य

१. श्री श्री नारायण दास, सदस्य, लोक सभा।

२. श्री एम० वाई० घोरपड़े, सदस्य, विधान सभा, मैसूर।

३. श्री एम० वी० माथुर, राजस्थान विश्वविद्यालय, जयपुर।

४. श्री सी० नरसिंहम, अपर विकास आयुक्त, आंध्र प्रदेश।

३. अध्ययन टोली तीसरी पंचवर्षीय योजना की मोटी रूपरेखा तथा उपबन्धों का ध्यान रखते हुए विभिन्न राज्यों की पंचायती राज संस्थाओं के साधनों एवं वित्तीय स्थिति की जांच करेगी और नीचे लिखे विषयों के बारे में सिफारिशें करेगी:—

(क) हस्तान्तरित किए गए कार्यों को ध्यान में रखते हुए आय के वे साधन (मालगुजारी सहित) जिन्हें पूर्ण या आंशिक रूप से पंचायती राज संस्थाओं को सौंपा जाना चाहिए और पंचायती राज निकायों के अन्तर्गत सेवाओं और संस्थाओं को बनाए रखने के लिए कुछ के साधनों को, अलग रखने की व्यवस्था।

(ख) राज्य सरकारों द्वारा दिए जाने वाले अनुदान और ऐसे अनुदानों के साथ रखी जाने वाली शर्तें।

(ग) पंचायती राज संस्थाओं के आपसी वित्तीय सम्बन्ध।

(घ) पंचायती राज संस्थाओं के मौजूदा साधनों का विकास करने और आमदनी देने वाली परिसम्पत्तियों के निर्माण के सम्बन्ध में उठाए जाने वाले कदम।

और (ङ.) लोगों से उपहार, दान तथा स्वैच्छिक अंशदान प्राप्त करने के सम्बन्ध में उठाए जाने वाले कदम।

४. अध्ययन टोली को अपनी रिपोर्ट ३१ जुलाई, १९६३ तक दे देनी चाहिए।

५. अध्ययन टोली का मुख्यालय नई दिल्ली में होगा। टोली जब कभी आवश्यकता हो, दौरा कर सकती है और ऐसे व्यक्तियों को भी मिल सकती है जो इस विषय के सम्बन्ध में विशेष ज्ञान रखते हों।

आदेश

आदेश है कि इस संकल्प की प्रति सभी सम्बन्धितों को भेजी जाए। यह भी आदेश है कि यह संकल्प भारतीय राजपत्र में जन साधारण की सूचना के लिए प्रकाशित किया जाए।

एस० चक्रवर्ती,
अपर सचिव।

As mentioned in the last Report, the Council has, for purposes of clauses (*ii*), (*iv*) and (*v*) of sub-section (1) of Section 4 of the Act, prescribed that a person who applies for membership of this Institute, shall, in addition to passing the Final Examination of the Institute or of the dissolved company or an examination recognised by the Council as equivalent thereto, be required to produce evidence to the satisfaction of the Council that he, on the date of his application, has acquired practical experience for a period of not less than three years in a responsible position in any one or more industrial units covering different branches of Costing or Industrial Accounting, viz., Stores, Materials, Labour, Overheads, etc. In exercise of powers conferred by Sections 4(1) (*iv*) and 4(1) (*v*), the Council has recognised the Final Examination of the Institute of Cost and Works Accountants, London, as equivalent to that of this Institute for purposes of admission to membership of this Institute.

As was mentioned in the last Report, the Council in regard to Section 4(1) (*iii*), has considered and conveyed its views to the Central Government the question of prescribing conditions for enrolment as members of this Institute for persons who at the commencement of the Cost and Works Accountants Act, 1959, were engaged in the practice of Cost Accountancy in India.

Registration of Students

During the year under Report, 3,673 students have been enrolled. The total number of Registered Students as on 31st March 1962, less the number who have discontinued paying their annual subscription comes to about 16,100.

Examinations

Intermediate, Final and Management Accountancy examinations were, as usual, held on July 1961 and January 1962. The Final Examination under the new syllabus was held for the first time in January 1962. The total number of candidates who appeared at the different examinations and the number passed are detailed in the statement attached.

The examinations were held at the regular centres at Ahmedabad, Bangalore, Bombay, Calcutta, Delhi, Gauhati, Hyderabad, Jamshedpur, Lucknow, Madras, Nangal, Patna, Poona, Trivandrum and Waltair.

Students' Associations

In view of the poor performances of the students at the examinations of the Institute, the Council found it desirable to provide facilities so as to mitigate the inconvenience faced by them in preparing for examinations. To attain this objective the Council decided to establish Students' Association in various parts of the country and, accordingly, Regulations for such Students' Associations were framed. Due to certain difficulties the Scheme was not proceeded with. It is hoped that the new Council, when it is constituted, will give consideration to this matter.

Regional Councils

In pursuance of Section 23 of the Act and Regulation 114 of the Cost and Works Accountants Regulations, four Regional Councils, namely, the Western India, Southern India, Eastern India and Northern India, were constituted with their headquarters at Bombay, Madras, Calcutta and Delhi, respectively. In discharge of their duties these Regional Councils have undertaken useful activities, namely holding of coaching classes for benefit of students, periodical lectures, discussions on past question papers, film shows, conferences, seminars, etc. Library facilities also exist in the Regional Councils.

In order to enable these Regional Councils to function properly, the Central Council from time to time has given grants-in-aid for proper equipment of their libraries and offices and for meeting their current expenses.

Disciplinary Matters

The Council is happy to state that during the year under review there was no cause for taking action under Section 21.

Practice by Companies

There was no occasion to take any action so far under Section 28 of the Act during the year.

Regulations

Many important amendments of the Cost and Works Accountants Regulations, 1959, have been carried out. One of these amendment relates to the extension of Final Examinations under Old Syllabus for another year, i.e. upto and inclusive of July 1963 examination subject, however, to the approval of the Central Government.

Functions of the Council

The Council has pleasure in reporting that most of the functions mentioned in Section 15 of the Act are being carried out.

Libraries, Reading Rooms and Offices

With the construction of the new building of the Institute, the Council has been able to provide library and reading room facilities to students and members better than hereto before. Similar facilities are also being provided at the headquarters of the Regional Councils.

Convocation

The last annual Convocation of the Institute was held at Calcutta on 11th December, 1961, which was addressed by Shri A. K. Roy, Comptroller and Auditor General of India.

At this Convocation, certificates of pass were conferred on 407 students who were successful in the Intermediate, Final and Management Accountancy Examinations held in January and July 1961. Medals and Book Prizes were also awarded to students who had shown special merits.

Conference

The Fifth All India Conference of Cost and Works Accountants was held in Delhi in December 1961. Papers and topics of interest were read and discussed in which a large number of members and students participated.

The proposal that was mentioned in the last Report of the Council could not be pursued to organise an International Conference of Accountants in Calcutta because of the fact that two International Conferences of Accountants will be held in 1962, one in America and the other in Japan.

Journal

In October 1961 the official organ of the Institute "The Cost and Works Accountant" completed its sixth year of successful service. Its circulation is on the increase. Many Chambers of Commerce and other public bodies have become regular subscribers to the Journal. The Council is thankful to the members and other writers for their continued support and co-operation in making the Journal useful to its readers as before.

Institute's Building

As was referred to in the last Report of the Council, the new building of the Institute headquarters has been completed and was opened by Dr. S. Radhakrishnan, the then Vice-President of India, on 16th April, 1961. The Inauguration Ceremony was attended by many prominent persons including Dr. B. C. Roy, Chief Minister of West Bengal and Presidents of various Chambers of Commerce and Industry.

The Council is also on the look out of acquiring suitable property for use of the Regional Councils at Bombay, Madras and Delhi.

Coaching

The Council is seriously posted with the oral and postal Coaching which is being evolved and is expected to be implemented shortly.

Practical Training for Cost Accountants

Various Chambers of Commerce and other Associations of Employers in response to the request made by the Council have issued circulars to their member concerns for providing practical training to students of Cost Accounting. Many of the Companies have offered such training and a few students are already undergoing such training.

Short-term Training Course

The Short-term Training Course of selected Government employees at different levels is being continued. Ten batches of trainees have already completed the training and the eleventh batch is now undergoing such training.

Short-term Course on Management Accountancy

As was mentioned in the last Report, there was some delay in implementing the Council's proposal to set up a Residential Study Course in Management Accounting. The Scheme has now been finalised by the Council and forwarded to the Central Government for approval. It is expected that the Central Government will soon accord its approval.

Research

Although the research work was undertaken by the Research and Publications Committee of the Council on three subjects, it is regretted that it has not been possible to submit the Committee's report to the Council as yet. It is hoped that the Research and Publications Committee will be able to produce their report in due course.

National Productivity

The Council keeps close liaison with the National Productivity Council and the Regional Productivity Council. Joint efforts have been and are being made to arrange conferences, seminars, etc., for the benefit of the profession.

Relationship with Government

The Council has pleasure in recording that the Council and the Institute continue to maintain cordial relationship with the Central and State Governments. The Council acknowledges with gratitude the increasing recognition of the importance of the profession by the Governments.

Accounts and Audit

In terms of Regulation 97, the Council reappointed Shri S. N. Banerjea, Chartered Accountant and a member of the Institute, to audit the accounts of the Institute for the year ended 31st March 1962. The audited accounts are appended hereto. The accounts show a surplus of income over expenditure amounting to Rs. 21,108·23 nP. which has been transferred to the Institute Fund.

In the opinion of the Council, the financial position of the Institute is satisfactory.

General

The Council has pleasure in reporting that the Co-operative Credit Society formed at the instance of the Council for the benefit of the members of the staff of the Institute has been functioning well.

The Council is desirous to record its appreciation for the valuable co-operation and assistance rendered in its task by the Secretary and other members of the staff of the Institute.

PRESIDENT'S SECRETARIAT

New Delhi, the 10th September 1962

No. 54-Pres/62.—The President is pleased to approve the award of the MAHA VIR CHAKRA for acts of gallantry in the U.N. operations in the Congo to the undermentioned personnel:—

1. No. 5[illegible]0815 Naik MAHABIR THAPA, 3 Bn. 1st Gorkha Rifles (*Posthumous*).

(*Effective date of award—16th September* 1961)

Naik Mahabir Thapa was section commander of the rear-guard platoon of the Relief Force withdrawing from Lufira Bridge in the Congo. The force was ambushed a few miles from Elisabethville. The road had been mined by the enemy and the ambush site covered with mortar, medium machine guns and anti-tank weapons. Naik Thapa's platoon had been ordered to ensure that the enemy did not close in on the withdrawal force. Although wounded even before he reached the road block, Nk. Thapa deployed his section boldly and engaged the enemy fiercely with fire while manoeuvring to get to the flank of the enemy ambush. He was mortally wounded by machine-gun bullets. Despite this, he continued to lead his section and engage the enemy. Naik Thapa's section withdrew after every one of the retreating force had a safe passage over the ambushed area. He was the last man to leave the area and a little later succumbed to his injuries.

During the operation, Naik Thapa showed leadership and courage of the highest order. His gallant devotion to duty saved many lives and made an orderly withdrawal of the force possible.

2. No. 5333223 L/Naik RAN BAHADUR GURUNG 3 Bn. 1st Gorkha Rifles (*Posthumous*).

(*Effective date of award—6th December* 1961)

L/Naik Gurung successfully destroyed the enemy post, killing all the nine personnel therein. He himself was, however, killed by a burst of machine-gun fire from the ridge area.

L/Naik Ran Bahadur Gurung's undaunted personal courage, exemplary devotion to duty and conspicuous gallantry in the face of the enemy was in the best traditions of the Army.

No 55-Pres/62.—The President is pleased to approve the award of the ASHOKA CHAKRA, CLASS II, for acts of gallantry to the undermentioned personnel:—

1. Flight Lieutenant KARAN SHER SINGH KALSIA (4474) G.D. (P) (*Posthumous*).

(*Effective date of award—19th January* 1961)

On 19th January, 1961, while on a training flight, Flight Lieutenant Kalsia found that the engine of his aircraft had flamed out. The aircraft was heading towards Jamnagar city and had he bailed out and abandoned the aircraft it would have crashed in the city, causing extensive damage to life and property. Realising this, Flight Lieutenant Kalsia turned his aircraft away from the populated area and in doing so lost valuable height. He then attempted a force landing as he was left with no other option and was killed in the attempt.

Flight Lieutenant Kalsia displayed courage of a very high order and gave his own life to avoid an accident which might have resulted in the loss of several other lives. His gallant action was in the highest traditions of the Air Force.

2. Lieutenant NOEL KELMAN, I.N.

(*Effective date of award—18th December* 1961)

Lieutenant (then Senior Commissioned Gunner) Noel Kelman was in command of an assault boat during the landings on Anjadev Island on 18th December 1961. When the boat was at some distance from the beach, the Portuguese opened heavy and accurate fire. A number of sailors in the boat were killed and wounded. Lt. Kelman was also hit by a bullet which went through both his thighs. Despite his serious wounds, he maintained discipline in the boat and continued steadfastly towards the beach. On reaching the shore he led his men to the support of another assault party which had landed earlier.

In complete disregard of his wounds, Lt. Kelman continued to assist in the conduct of operations throughout the day. It was only at the conclusion of the operations that he proceeded to receive medical attention.

The leadership and courage displayed by him contributed greatly to the success of the landing.

3. O. No. 67103 Ordinary Seaman BECHAN SINGH (*Posthumous*)

4. O. No. 66901 Ordinary Seaman VIJENDRA PAL SINGH TOMAR (*Posthumous*).

(*Effective date of award—18th December* 1961)

On 18th December 1961, a Naval landing party was assigned the task of liberating Anjadev Island. The party landed in two batches. While the first batch landed without opposition, the second one came under heavy fire and stiff opposition from the Portuguese for most of the day.

At one stage the advance of the landing party was halted by heavy and accurate fire from hostile positions concealed in bushes and behind rocks. Ordinary Seamen Bechan Singh and Vijendra Pal Singh Tomar were detailed to approach these hidden positions and silence them by throwing hand-grenades.

Both the Seamen crawled fearlessly towards the positions under heavy fire. Each time they tried to throw a hand-grenade, they exposed themselves to hostile fire. In spite of being wounded several times, they continued to close in on the hostile positions with great determination and finally succeeded in silencing them before being killed in action.

Both of them displayed outstanding courage and devotion to duty of the highest order in keeping with the highest traditions of the Navy.

In complete disregard of his personal safety, he crawled forward and neutralised the hostile fire. Single-handed he resisted, with accurate and sustained fire, the repeated efforts of the hostiles to get possession of the arms and ammunition of the dead and wounded persons, till his platoon launched a bayonet charge and he became unconscious due to loss of blood.

The presence of mind, courage and the leadership displayed by Rifleman Bir Singh Negi prevented the hostiles from achieving their objective.

6 दिसम्बर, 1961 को जब हमारी सेना कटंगा में शत्रु के मोर्चे पर आक्रमण कर रही थी, तब उन पर शत्रु की ओर से मशीन गनों और राइफलों की गोलियों की बौछार आने लगी। लांस नायक रण बहादुर गुरंग जो पलटन के एक सेक्शन के उप-नायक थे, ब्रेन ग्रुप लेकर लगभग तीन सौ गज तक घुटने के बल रेंग कर गए और शत्रु की चौकी के पास पहुंच गए। इस दल के ऊपर न केवल जिस पर उन्होंने आक्रमण किया था वहीं से गोली चल रही थी अपितु पास की एक पहाड़ी पर से भी शत्रु की मीडियम मशीन गन की मार पड़ रही थी। लांस नायक गुरंग ने शत्रु के सभी नौ सिपाहियों को मार कर उसको सफलता पूर्वक नष्ट किया। पहाड़ी पर की मशीन गन की एक बौछार से वह भी मारे गए।

(मरणोपरान्त)

(पुरस्कार की प्रभावित तिथि: 19 जनवरी, 1961)

19 जनवरी, 1961 को एक प्रशिक्षण उड़ान के समय फ्लाइट लैफ्टिनेंट कल्सिया ने देखा कि उनके विमान के इंजन से आग की लपटें निकल रही हैं। विमान जामनगर शहर की ओर जा रहा था, यदि वह विमान को छोड़ कर पैराशूट से कूद जाते तो विमान शहर पर गिर कर प्राणों एवं सम्पत्ति की बहुत क्षति करता यह समझते हुए फ्लाइट लैफ्टिनेन्ट कल्सिया, अपने विमान को बस्ती से दूर ले गए, और इससे विमान की आवश्यक ऊंचाई बहुत कम हो गई। और कोई उपाय न देखते हुए उन्हें विवश होकर विमान को भूमि पर उतारने का प्रयत्न करना पड़ा और इस प्रयत्न में उनकी मृत्यु हो गई।

फ्लाइट लैफ्टिनेन्ट कल्सिया ने उच्च कोटि के साहस का प्रदर्शन किया तथा एक दुर्घटना को बचाने के लिए जिसमें अनेक अन्य प्राण हानि हो सकती थी, उन्होंने अपने प्राणों का उत्सर्ग किया। उनका वीरता पूर्ण कार्य वायु सेना के उच्चतम परम्परा के अनुसार था।

अपने घावों की बिल्कुल चिन्ता न करते हुए, वे दिन भर सैनिक कार्यवाही में व्यस्त रहे। कार्यवाही समाप्त होने पर वह उपचारार्थ गए।

झाड़ियों और चट्टानों के पीछे छिपे हुये शत्रुओं की भारी और सही गोली वर्षा के कारण एक समय पर अवतरण दल रुक गया। आर्डिनरी सीमॅन बचन सिंह और विजेन्द्रपाल सिंह तोमर को शत्रु के छिपे हुये अड्डों पर हथगोले फेंक कर उन्हें बेकार करने का कार्य सौंपा गया।

कड़ी गोलाबारी के होते हुये भी दोनों सीमॅन निर्भय होकर रेंगते हुये अड्डों की ओर बढ़े। जब उन्होंने हथगोले फेंकने का प्रयास किया, वे गोलियों की बौछार के सामने आगये। कई बार आहत होने पर भी वे शत्रु की ओर दृढ़ता के साथ बढ़ते गये और अन्त में लड़ते हुये मृत्यु से पूर्व वे शत्रुओं को नष्ट करने में सफल हुये।

नौसेना की उच्चतम परम्परा के अनुसार उन दोनों ने विशिष्ट साहस एवं उच्चतम कोटि की कर्तव्यपरायणता का प्रदर्शन किया।

राइफल मॅन वीर सिंह की सूझ बूझ, साहस एवं नेतृत्व ने उपद्रवियों को उद्देश्य में सफल नहीं होने दिया।

RESOLUTION

New Delhi, the 14th September 1962

No. WB-6(1)/62.—The Government of India considered the Report of the Central Wage Board for the Cement Industry and announced their decisions in their Resolution No. WB-6(57), dated the 29th February, 1960. Para. 3 of the said Resolution reads as follows:—

"3. After careful consideration of the Board's Report and the Minutes of dissent appended by the employers and the workers, Government has decided to accept the recommendations of the Board subject to the following. Government consider that a study of workloads in the industry would be desirable, and that while the implementation of the recommendations of the Wage Board, as referred to in the Report, need not be delayed on this account, Government feel that such a study should be undertaken as early as possible, and the recommendation regarding wage increase in the second phase wherever applicable, may be implemented after this study is completed".

2. Workload studies in three cement factories were conducted by the organisation of the Chief Adviser, Factories, *viz.* (i) The A.C.C. factory at Shahabad, (ii) U.P. Government Cement factory, Churk and (iii) M/s. Jaipur Udyog Ltd., Sawaimadhopur, in accordance with the conclusions reached on this subject by the tripartite Industrial Committee on Cement in its III session held at New Delhi on the 2nd August, 1960. Government has received reports on the workload studies in the first two factories and copies thereof have been supplied to the cement factories.

3. Government have considered the reports on work-load studies in the Shahabad and Churk Cement factories and have decided that the wage increase in the second phase, as per the recommendations of the Central Wage Board for the cement industry, wherever applicable, should be implemented with effect from 1st January 1961.

4. Government have, further, taken into account the increase in the ex-worksprice of cement granted to cement producers as a result of Government's decision on the report of the Tariff Commission announced in Government Resolution No. Cem.8(27)/61, dated the 31st October, 1961, issued by the Ministry of Commerce and Industry. They have decided that, to the extent that the incidence of extra expenditure on wages prior to the 1st November, 1961 has not been taken into account in the revised prices arrangements will be made to meet the extra expenditure in the same manner as was done in the case of the factories in which the Wage Board's recommendations have already been implemented fully. The new prices applicable from the 1st November, 1961 take into account the extra expenditure on wages resulting from the implementation of the recommendations of the Wage Board.

5. Government requests the employers concerned to take necessary steps immediately to implement the second phase wage increase and to make payments of arrears as early as possible.

ORDER

2. भारत सरकार ने मंडल की सिफारिशों को स्वीकार कर लिया है और यह निश्चय किया है कि मालिकों से इन्हें शीघ्रातिशीघ्र लागू करने की प्रार्थना की जाए।

आदेश

आदेश दिया जाता है कि इस संकल्प की एक एक प्रति निम्नलिखित को भेजी जायें।

असम और पश्चिमी बंगाल के लिये अंतरिम सिफारिशें

मंडल ने जनवरी, 1962 में असम और बंगाल के चाय बागानों के कर्मचारियों की मजदूरी में अंतरिम वृद्धि करने की सिफारिश की थी। यह सिफारिश बहुमत से की गई थी परन्तु मालिकों के प्रतिनिधियों ने असहमति प्रकट की। बहुमत से की गई उक्त सिफारिश से उद्योग में अशान्ति पैदा होने का डर था। मंडल ने सम्बन्धित पक्षों से प्रार्थना की कि वे अपने प्रतिनिधियों को अंतरिम वृद्धि के प्रश्न पर एकमत से निर्णय करने के लिये तथा उद्योग में शान्ति बनाए रखने के लिये सहायता देकर सहयोग दें।

मंडल को यह सूचित करते हुये हर्ष होता है कि मंडल की लगातार कोशिशों और पक्षों के सहयोग से मंडल अंतरिम वृद्धि के प्रश्न पर एकमत से सिफारिश कर सका है। इस सर्वसम्मत सिफारिश के अनुसार पश्चिमी बंगाल और असम के विभिन्न क्षेत्रों और वर्गों के लिये जनवरी, 1962 में मंडल ने अंतरिम वृद्धि की जो सिफारिश की थी वह ज्यों की त्यों रहेगी; केवल दार्जिलिंग के पहाड़ी क्षेत्र में अंतरिम वृद्धि, जनवरी, 1962 की सिफारिश के पैरा 1 के खंड (ख) में उल्लिखित अंतरिम वृद्धि से 1 न० पै० कम होगी और यह अंतरिम वृद्धि सिफारिश में दी गई तारीख 1-12-61 की बजाय आज अर्थात् 27-6-62 से लागू होगी। इस प्रकार

मंडल की इस सर्वसम्मत सिफारिश से उसकी पहले की बहुमत सिफारिश में संशोधन हो गया है। मंडल की संशोधित सिफारिशें नीचे दी गई हैं :—

(क) दार्जिलिंग की पहाड़ियों और कछार जिले को छोड़ कर असम और पश्चिमी बंगाल के राज्यों के चाय बागानों में दिहाड़ी पर काम करने वाले मजदूरों की दैनिक मजदूरी की दरों में नीचे लिखी अंतरिम वृद्धि की जायगी :—

पुरुष कामगार —	0.08 न०पै०
महिला कामगार—	0.07 न०पै०
काम में लगाने योग्य बालक	0.04 न०पै०

(ख) दार्जिलिंग की पहाड़ियों पर चाय बागानों में दिहाड़ी पर काम करने वाले मजदूरों को दैनिक मजदूरी की दरों में नीचे लिखी अंतरिम वृद्धि की जायगी :—

पुरुष कामगार	0.09 न०पै०
महिला कामगार	0.07 न०पै०
काम में लगाने योग्य बालक	0.04 न०पै०

(ग) कछार जिले के चाय बागानों में दिहाड़ी पर काम करने वाले मजदूरों की जून, 1961 में जो मजदूरी बढ़ी है उसे देखते हुए मंडल उनके लिये कोई अंतरिम सिफारिश नहीं कर रहा।

2. असम (कछार समेत) और पश्चिमी बंगाल राज्यों के चाय बागानों में मासिक वेतन पर काम करने वाले क्लर्कों, शिक्षा, चिकित्सा और पर्यवेक्षण कर्मचारियों तथा शिल्पियों के वेतन में 10 रुपये प्रति मास की और अन्य कर्मचारियों के वेतन में 6 रुपये प्रति मास की वृद्धि की जायगी।

3. इसमें उल्लिखित अंतरिम वृद्धि 27 जून, 1962 से लागू होगी।

4. मजदूरी मंडल की अंतिम सिफारिशें आने तक अंतरिम वृद्धि को अलग मद के रूप में दिखाया जायेगा और उसके बाद अंतिम सिफारिशें प्रभावी होंगी।

मंडल पक्षों की इस बात से सहमत है कि इसके द्वारा मंजूर की गई अंतरिम वृद्धि से मंडल की अंतिम सिफारिशों के बारे में किसी भी पक्ष के हकों और तर्कों को हानि नहीं पहुंचेगी।

V. Publicity	48,844/-
VI. Green Manuring scheme . . .	4,816/-

4. *Non-maintenance of Statement of Assets and Liabilities and Register of Hand Buildings and other Assets—Improper allocation of expenses.*

(a) It was suggested consecutively in the Inspection Reports of the last two years that a register of land buildings and other assets should be maintained for recording the value of land and each building. Plant and machinery, tools and Apparatus etc. and also their annual depreciations. No such register was made available to audit.

(b) Instances were also noticed, as in last years, in which the house rent allowances were wrongly classified under "Pay of officers".

5. *Closing Balances and Bank Reconciliation Statement.*

(a) The closing balances of the following schemes with the state Bank of India as on 31st March, 1958 were shown as follows in the accounts submitted:

Indian Central Jute Committee (normal) . .	2,78,831-44
Second Five Year Plan Schemes . .	1,10,482-97
	3,89,314-41

The closing balances as per Bank's daily sheet on 31st March, 1958 was however 2,77,467-13.

The reconciliation statement recorded on the cash book for balances as on 31st March, 1958, as furnished by the management is given in appendix 'D' to this report. It would appear therefrom that the reconciliations of balances were not carried out monthly. Although the separate cash books for separate schemes, were kept, the statements of reconciliation of balances of different schemes were not kept on record. The difference in figures of balances as per cash Book and Bank statement for each scheme should be prepared and kept on record.

It would also appear from the reconciliation statement that receipts relating to the month of January 1958 was not accounted for in the Bank upto the end of March 1958.

It is suggested that reconciliation of balances may be carried out at least once a month and instances of non-credit to Bank thoroughly investigated.

(b) The certificate in support of investment in 3 per cent Government loan 63—65 amounting to Rs. 24,671-00 was not made available to audit. The item could not therefore, be verified. The certificate may be obtained and shown to next audit.

6. (a) *Irregularities noticed in Medical Bills.*

(i) In some cases the payment of medicines were not supported by prescriptions. Instances noticed during detailed audit are given below as illustrations:

Voucher No.	Medicines	Date of purchase	Amount
48E of 3/58 for Rs. 63 · 50	Pyracostine. Entrogynol Tablet	28-11-57	Rs. 7/-
		10-12-57	Rs. 2·19
		17-12-57	2·19
		22-12-57	2·19
		8-1-58	2·19

(ii) In course of scrutiny of re-inbursement of medical expenses it was noticed that even the essentiality certificate was not enforced in certain cases. The re-imbursement claims was also not properly scrutinised before payment in certain cases. As for example, in one case, the record for payment of Rs. 10/- for stool examination conducted at the hospital did not show whether the examination was at the instance of the doctor.

(iii) Instances were noticed in which re-imbursement of medical expenses were extended to persons living outside Calcutta and undergoing treatment under the private medical practitioners of places of residences. A few illustrative instances are quoted below:

Voucher No.	Name of person to whom re-imbursement made	Pay	Place of residence	Amount
39 of 3/58 . .	Sri P. K. Deb.	190/-	Budge Budge.	13·80
25 of 3/58 . .	Sri N. C. De	40/-	Barrackpore 24-Parganas.	7·00
262 of 3/58 .	Sri P.C. Biswas.	85/-	Sultanpur 24-Parganas	10·00
263 of 3/58 .	Do.	85/-	Do.	12·00

As the Committee appointed one attendant physician, the circumstances, why the service of the physician was not availed of in the above case was not kept on record. The above cases may be examined and it may be seen whether payments were admissible under the rules.

6. (b) *Overpayments of Travelling Allowance.*

(i) Instances were noticed in which road mileage was drawn for journeys within the radius of five miles from Headquarters instead of actual expenses incurred. A list of such instances noticed is given in Appendix 'E' to this report. As there might be instances in the months not subject to detailed audit steps may be taken to assess the overpayments thus made and to effect recovery of such overpayments.

7. *Avdance Register.*

(i) It was noticed that advances were frequently granted to officers of the Committee. Although a register was opened for recording the entries of such advances and the recoveries thereof, it was not properly maintained in as much as, some of the advances were not noted in the advance register of the items of advances so far recorded, the total amount remaining un-adjusted upto the date of audit was Rs. 48,497/- approximately. It might be that the adjustments have already been effected and the records of adjustment not made in the register. It is necessary that the adjustments of the items should be recorded in the register of advances. The entire register may now be checked to see whether any advance is still outstanding.

(ii) The items noted in the advance register did not bear any attestation by any officer to show that the entries were verified with the cash Book. Steps need be taken to record all items of advances and for their early recovery.

8. *Un-authorised occupation of Land at Panagarh by outsiders.*

212 acres of land was transferred by the Ministry of Defence to the Indian Central Jute Committee (Ministry of Food and Agriculture) at Panagarh subjected to the Ministry of Food and Agriculture making the required payment as it appears from the .... of the meeting held at Panagarh on 24th March, 1956. It appears from the Director, Jute Agricultural Research Institutes memo. No. 2523/Scheme/56 dated 14th May, 1956 that there had been unauthorised occupation of some portion of the Committees land by some outside people. Information whether the land actually transferred to the Committee was demarcated and whether the payment by the Ministry of Food and Agriculture was to be on the basis of the land of which actual possession has been given was not available.

9. *Lack of effective control over use of Office Vehicles.*

The log book of the vehicle No. WBD7130 showed that it was not maintained properly and that control was not effectively exercised over the use of the vehicle. It was noticed that the entries in the log book were all recorded by one and same person and the entries were using the car. During the entire period covered by audit, only the entries between the period from 23rd August, 1957 to 31st August, 1957 were attested. The following information *viz.* the name and designation of the officer using the car, the time taken for each separate journey *i.e.* the time at the beginning and at the end of each separate journey as well as the purpose of the journey were not recorded in almost all the cases. The record of individual journeys taken up by individual officers were not separately kept. Instead all journeys during a day were collectively recorded, from which no idea could be formed as to the actual journals taken up by each officer. There was no scope for verification of the distance travelled from the descriptions of journeys recorded in the log book. The entries recorded in the column "Petrol drawn" could not be verified as no other account of petrol was made available, neither there was any reference to the voucher to which such entries relate. There was no record to show the average mileage run per gallon during each month to show whether the consumption of petrol during different months was checked. The car was used by the different persons but no requisition for such use was available to audit.

Effective control over use of the car and monthly consumption of petrol should be effected.

It is also suggested that the log book of the car for 1957-58 and 1958-59 should be reviewed by the..... and the omissions pointed out above supplied under intimation to audit.

Attracting Better Talents

In recent years, with the expansion in the economic development of the country, there has been a great demand for the services of Chartered Accountants, both in the professional and in the industrial fields. Various methods for attracting youngmen, possessing talent and ability, who would take up the career of a Chartered Accountant are being considered. The problem of providing adequate number of Chartered Accountants required by our country is engaging the attention of the Council. In this regard the Council has recently decided—

(i) that the training facilities be increased by allowing the members who have been in continuous practice for a period of 15 years, to train 4 articled clerks instead of 3 and to take in 3 audit clerks instead of 2, and

(ii) that the wide variety of opportunities open before the profession, both in the professional and the industrial fields be made known by the Council through issuing of Brochures, arranging lectures, etc.

Further with a view to improving the quality of youngmen entering the profession the Council has set up a Committee to establish liaison with the universities. The function of the Committee will be to examine the syllabi and methods of instructions followed at different universities, providing courses in commerce and making suggestions for their improvement. It would ensure that the students at the universities will be receiving a broad education in subjects, the knowledge of which will be advantageous to them in their professional studies.

"Bad Failures" at the Chartered Accountants Examination

For some time past, the Council has been concerned with the problem posed by repeated failures of some of the candidates in the examinations of the Institute. It was felt that the candidates should be prevented from wasting their time which they perhaps could utilize in the pursuit of vocations, better suited to their talents and capabilities.

In this view it has been decided that an employer would be entitled to discharge his articled or audit clerk:

(i) if the clerk has been classified as a "bad failure" at the Intermediate Examination of the Institute even if it happens to be his first attempt; or

(ii) if the clerk has not been successful even in his third attempt at the Intermediate Examination.

[Necessary amendments in the Chartered Accountants Regulations in this behalf are being finalised.]

4th Conference of Chartered Accountants

The Conference Committee has been active and all arrangements for the conference which will be held at Madras from 7th to 11th December 1962, are nearing completion.

Some 18 leading members of the profession would be contributing papers, on a wide range of subjects, both traditional and modern. It is expected that a large number of members from all over the country will be attending the Conference.

Seminars on Management Accounting

The Post Graduate Course Committee continued to organise Seminars in Management Accounting at different Centres for stimulating thought and promoting interest in this important new field. During the year, an All India Seminar was held from 7th to 9th January 1962 at Calcutta. It was inaugurated by Hon'ble Shri A. K. Sen, Minister for Law, Government of India in the presence of Hon'ble Shri K. C. Reddy, Minister for Commerce and Industry. Both Shri S. N. Desai, President of the Institute and Shri C. P. Mukherjee, a past President of the Institute addressed the Seminar. It was attended by 75 participants and 54 observers.

At the Seminar following subjects were discussed:

1. Management Aspect of Internal Audit.
2. Economics of Management.
3. Cash Flow Planning.
4. Dividend Policy.
5. Standard Costing and Budgetary Control.
6. Evaluation of Making and Buying Decision.

A Regional Seminar was also held at Delhi from 20th to 22nd October 1961. It was inaugurated by Hon'ble Shri N. Kanungo, Minister for Commerce, Government of India and was attended by 34 participants and 26 observers.

The following subjects were discussed at the Seminar:—

1. Return on Capital Employed as a Tool of Management.
2. Impact of Taxation on Management of Industries.
3. Measuring of Management Performance.
4. Controlling Material Costs.

It is proposed to hold the Fourth All India Seminar at Lucknow in January 1963 and Regional Seminars at Bombay and Delhi during October 1962 and February 1963 respectively.

International Conferences

Invitations were received, both from the organisers of the Eighth International Congress of Accountants which will be held in September 1962 in New York as well as from those of the Third Conference of Asian and Pacific Accountants to be held in October 1962, in Japan. In response thereto the Council had decided to send a Delegation of 15 members. However, on account of restrictions on foreign travels the Government has desired that the Institute be represented by only one delegate both at the Congress and the Conference.

We are glad to mention that Shri N. R. Mody, a past President of the Institute has been invited to contribute a Paper and Shri S. N. Desai, President of the Institute to act as Vice-Chairman of one of the Sessions at the International Congress. Shri Desai has also been requested to read a Paper at the Conference in Japan.

Representation to Government

(a) Income-tax Rules 1962—Rule 12(5)—as had been originally introduced—made it obligatory on an authorised representative, who had prepared the Return of income, to issue a certificate in Form 5 of the Income-tax Rules. The rule sought to impose an onerous obligation, which could not have been fulfilled. It was decided to make a strong representation in this regard to the Central Government. The various difficulties involved, both legal and practical, in the authorised representative accepting such a responsibility were brought to the notice of the Government, in a very detailed memorandum. This memorandum has been published in the June 1962 issue of the Journal. Thanks to these efforts we are glad to record that Rule 12(5) has been substituted by Rule 12A. It requires an authorised representative to provide information only in regard to matters which ordinarily would come under his purview.

The Council is grateful to the Government for its sympathetic consideration and appreciation of the difficulties of an authorised representative.

(b) *Institute of Applied Manpower Research*—The Government of India having set up an Institute of Applied Manpower Research with the main function of providing a broad perspective of requirements of trained manpower for the Country's economic development, a representation was made to the Government of India pointing out the important role that chartered accountants are playing at present and would also play in the future economic development of the country and stressing the need for the representation of the Institute on the General Council of the new Institute. The Government of India in reply have informed that the Memorandum of Association and the Rules and Regulations of the Institute having already been registered with the Registrar of Societies, it would not be possible to make an addition to the membership on the General Council at this stage. The Government have however assured that steps would be taken in due course to co-opt a representative of the Institute of Chartered Accountants as a member on the General Council of the Institute of Applied Manpower Research.

(c) *Income-tax (Certificate Proceedings) Rules* 1962—In consideration of the fact that Rule 62 of the above Rules restricts the right of representation, in the above proceedings, only to legal practitioners, entitled to practise in a civil court in India, the Council

represented to the Government that the said rule be amended so as to permit Chartered Accountants, to appear before a Tax Recovery Officer, who is not a Collector or an Assistant Collector.

(d) *Assessment of registered firms*—Under the Finance Bill 1962 the professional income had been treated as a non-salary income for purposes of assessment of income tax and the tax on Registered Firms was proposed to be increased, especially in cases of larger firms. A representation was made to the Government that a distinction should be made in favour of professional income.

(e) *Recognition of the First and Intermediate C.A. Examinations under Section 288(2) of the Income-tax Act* 1961-- It having been learnt that the Government proposed to permit, besides Chartered Accountants and lawyers, commerce graduates and certain other classes of graduates to represent assessees in Income-tax proceedings it was decided to make a representation to the Government that student-members of this Institute, who had passed either the First C.A. Examination or the Intermediate C.A. Examination be considered eligible for the purpose. But the representation has not been accepted.

Shield Panel

During the year 110 entries were received for the competition for the best presented accounts. A classification thereof according to major industrial groups is shown below:—

1. Agriculture and allied activities	Nil
2. Mining and quarries	4
3. Processing and manufacturing . .	82
4. Construction and utilities	Nil
5. Commerce (Trade and Finance) . .	13
6. Transport communication and storage .. .	2
7. Services of all kinds	9

Eighty one of the entrants were non-government companies and 29 were government companies and corporations.

The annual report and the statements of accounts of Air-India International for the year ended March 31, 1961 were adjudged the best and those of the undermentioned concerns were considered the next best:

1. Indian Oxygen Limited, for the year ended September 30, 1960.
2. Tata Chemicals Ltd., for the year ended June 30, 1960.

The Air-India International was awarded the Silver Shield and the other two companies were awarded copper plates.

It is gratifying to record that the keen competition for the awards has had the effect of raising progressively the standard of presentation of accounts.

Professional Development Committee

In consideration of the need for Professional Development, the Council set up a special committee for drawing up schemes in that regard and drew up the following terms of reference for the Committee:—

(i) To define the objectives of the Accounting profession;

(ii) To lay down the Accounting postulates and principles having regard to the changes that have occurred in the conditions under which business now-a-days is being conducted; ....

(iii) To determine the extent to which, auditing procedures required to be enlarged having regard to changes in different laws, impinging thereon and generally that in the climate of public opinion;

(iv) To determine the manner and forms in which guidance should be provided to members in regard to professional matters;

(v) To consider the different ways in which the profession could assist and help the Government in the promotion of its plans and programmes;

(vi) To lay down the standards of professional conduct and competence in different fields of professional activity;

(vii) To determine what programmes of development should be carried out at the different levels i.e. the Regional Councils, the Institute and members as such, and to lay down targets in this regard for the next three years;

(viii) To explore new avenues of work and employment for the members;

(ix) To recommend suitable forms for the presentation of accounts.

The Committee has drawn up an elaborate programme of activities, work on which will be started during the current year.

Research

The Research Committee published the second edition of the "Guide to Company Audit" during the year after extensively revising the subject matter in the light of amendments made in the company law by the Amendment Act 1960 and those in Schedule VI that came into force from April 1, 1961. 11,000 copies of the Guide were printed and almost all of them have been disposed of. The Committee also has been working on its second publication "Implication of the Companies Act 1956 as amended". It would be complementary to the Guide to Company Audit in so far as it would contain an authoritative interpretation of various sections of the Act impinging on the duties of the auditor in the matter of company audit.

The other topics that would be studied and enquired into by the Research Committee are mentioned below:

1. Auditor's responsibilities in respect of changes in the financial position of the companies due to events subsequent to the date of closing of accounts.
2. Scope of Audit Report envisaged by Section 22 of the Companies Act with special reference to maintenance of production accounts.
3. Valuation of unquoted shares.
4. Depreciation chargeable in the accounts of Companies having regard to the concept of 'True & Fair'.

The following statements on accounting and auditing practices issued by the Committee during the year were published in the Journal for the guidance of members:—

Profit & Loss Account and Profit & Loss Appropriation Account.

Scope of Audit report under Section 551 of the Companies Act 1956.

A note on 'MODE OF VALUATION OF FIXED ASSETS' (This note has also been incorporated as Appendix I on page 60 of a Guide to Company Audit -2nd Edition 1962).

A note on 'DISCLOSURE OF INFORMATION UNDER SCHEDULE VI, PART II, PARA 4 OF THE COMPANIES ACT 1956'.

The National Academy of Administration recently carried out a study of Pricing Policy and Cost Analysis in Public Enterprises as a Syndicate work for Senior I.A.S. Officers—Regular probationers. Shri H. B. Dhondy represented the Institute at these discussions.

The Research Committee forwarded a suggestion to the Finance Ministry through the Department of Company Law Administration that it might initiate the international practice of writing digits in its financial documents, e.g., budget papers by placing commas after thousands, millions etc. If the proposal is accepted, it would be possible to recommend this practice to be generally adopted in company accounts.

The Council on the recommendation of the Research Committee has approached the Government of India, Ministry of Scientific Research and Cultural Affairs, for a grant of Rs. 50,000 per year for purposes of research for a period of 3 years, as recommended by the Special Committee for Commerce Education.

Taxation Committee

In view of the increasing importance of direct taxation in the economy of the country and the complexity of tax legislation there has been a demand, from several quarters, that the Council not only should make representations to the Government, seeking amendment, modification or clarification of tax legislative measures, for the benefit of its members but also should issue authoritative commentaries thereon for their guidance. For these purposes a Taxation Committee was set up in November 1961.

The Committee has decided to prepare detailed notes on a number of important topics in taxation; the drafts of two of which have already been prepared which will be published in the current year.

The Committee also made a detailed examination of the Income-tax Rules, 1961, Tax Recovery Rules and the Finance Bill and representations for their amendment from the professional point of view were submitted to the Government, a reference to which has been made elsewhere in this report.

Expert Advisory Committee

During the year 33 queries were referred to the Committee as against 14 in the previous year. Out of these, 17 queries were disposed of and 13 queries were returned back on the ground that they were not suitable for consideration by the Committee.

As in the past, the queries that were considered of a general interest, were printed in the Journal, along with the view of the Expert Advisory Committee. It has, however, not been possible to consolidate such queries and replies thereto into a book for the guidance of members as had been proposed. The increase in the number of queries is an index of the increasing popularity of the service among the members.

Ad Hoc Committee (Unjustifiable Removal of Auditors)

One complaint of unjustifiable removal from auditorship was received by the Committee during the year. The case was partly heard by the Committee before 31st March, 1962. It has since been disposed of. As a result of the enquiry the firm of auditors which had been appointed by the company in place of the auditor who had been removed, has resigned from the office.

Post-Graduate Course in Management Accounting

The syllabus for the Management Accounting Examination has been revised to make it more rational and practical. The revised syllabus was approved by the Council at its meeting held in March 1962 and it would come into force with effect from May 1963 Examination. The conditions for passing the Examination have also been relaxed. Both these measures, it is expected, would attract a larger number of members to specialise in this field.

The Research Groups at different regional centres have been active and two of them have produced papers. The paper prepared by the Madras Research Group on "Bonus Formula and the Accountant" will be published shortly.

The process of studying various methods of Accounting control adopted by the industrial organisations has been continued. Two teams of members were organised for studying the systems of

Budgetary Control in operation in different types of industrial organisations; one team visited a number of units in the Calcutta industrial area and the other in Bombay. Their reports will be published during the current year.

The Committee has also been studying, the possibilities of holding residential courses at different industrial centres in the country, where there is concentration of industries, for the benefit of their accounting staff as well as other places where facilities for holding them are available. It is expected that in the near future it would be possible to organise such a course.

Disciplinary Committee

The present Committee had before it 6 cases, 3 left over by the previous Committee and 3 referred by the Council; out of 24 cases which were considered by the Council under Regulation 11(8). Of the 3 cases left over by the previous Committee 2 could not be heard on account of pendency of a Criminal appeal in the Supreme Court, and in the third case, the High Court having restrained the complainant from proceeding with the complaint until the disposal of two civil suits pending before it. Of the 3 cases referred by the Council, one was heard before 31st March 1962; the other 2 also have been heard in the current year.

In the case against 2 Restricted State Auditors (now Certified Auditors), the Central Government have passed final orders, severely warning the respondents.

Two cases were considered by the Council under Section 21(4) of the Act. In the first case, it was ordered that the name of the member be removed from the register for a year and in the second that a reprimand be administered.

At the commencement of the Year there were four cases pending with various High Courts; four more were lodged during the year. Out of these only one was disposed of during the year. The High Court in the case ordered the removal of the name of the member from the Register of Members for a period of 3 years.

Re-organisation of Regional Constituencies and Allied Matters

It was reported last year that the Committee set up for the purpose had submitted its report.

The report was generally considered but it was decided to postpone its detailed consideration till March 1963.

Chartered Accountants Benevolent Fund

The total assets of the Fund, at the end of the year amounted to Rs. 4,420 and its membership stood at 60 (life-members 6 and ordinary members 54). The assets being wholly inadequate for meeting claims for financial assistance from needy members, their families and dependents, it has been decided to continue efforts, through the Central and Regional Council members, to increase the membership of the Fund. It is hoped that the members would respond to their appeals for the good cause.

The assets of the Fund and its administration are proposed to be transferred to a Trust or a Society registered under Societies Registration Act.

An allowance of Rs. 100 per mensem has been sanctioned to the family of a deceased member.

S. Vaidyanath Aiyar Memorial Fund

The collections of the fund as at 31st March 1962 amounted to Rs. 11,284.00. But the target not having been reached, it was decided to continue to receive contributions.

Further, with a view to broad base the administration of the Fund, it has been decided to transfer the assets and administration of the fund to either a Trust or a Society registered under the Societies Registration Act.

The Council has approved the following programme of activities for the fund:—

(1) Preparation of an extensive study on the subject "Budgeting as an aid to Business Planning" in collaboration with a teacher at an university or an educational institution or a research organisation;

(2) Arranging a Course of lectures to be delivered twice a year on different aspects of the subject "Impact of taxation on our Economy" at the various Regional Centres by rotation. In the first instance, such lectures would be delivered at Bombay.

Employment Committee

Though there has been an increasing demand for the services of Chartered Accountants in recent years on account of rapid industrialisation of the country, the need for Employment Registers being maintained both at the headquarters of the Institute and at the Regional centres has not abated. There is still a great demand for such service both from members and employers—from members who are desirous of finding employment suited to their special training and bent of mind and from employers for being able to engage persons who have had the training and experience considered useful.

It has, therefore, been decided to extend the service by allowing members seeking employment, to publish advertisements in the Journal, at a nominal rate. Also whenever, in response to an enquiry from an employer the Central or a Regional Council is not able to recommend names of persons suitable for employment, particulars of the post are circulated among the other authorities maintaining employment registers. Employers are also encouraged to advertise in the Institute's Journal for the services of members.

Chartered Accountants Regulations

A number of amendments to the Chartered Accountants Regulations have been recently made, more important of which are listed below:—

(1) Provision against the use of a trade or a firm name if such name is already being used by another Chartered Accountant in practice or by a firm of such Chartered Accountants.

(2) Permitting Articled Clerks to receive industrial training with the consent of the employers for a period not exceeding 12 months, in the latter half of their practical training.

The Council is also considering the question of codifying the Chartered Accountants Regulations, with a view to simplify them. A draft of the codified Regulations is expected to be published during the course of the current year.

Regional Councils

The responsibilities of the Regional Councils, in recent years, have greatly increased in as much as that they have been asked to collect information on a number of matters affecting the development of the profession and also to render a variety of services to the members and the public.

Particular mention is necessary, in this regard, of the fact that some of them have organised panels for providing free advice to small assessees under the Income-tax Act, on voluntary basis and that of their having set up Special Committees to attend to difficulties and problems of their members.

The programmes for purposes of stimulating professional thought and encouraging a free exchange of ideas by lectures, study circles and seminars, also have been enlarged by most of the Regional Councils.

Branches of Regional Councils

As a part of the programme to promote an active interest in professional matters among members residing in small towns as also to develop a spirit of fellow-feeling among them, the Council has set up Branches of the Regional Councils at the following centres:—

Western India Regional Council

1. Ahmedabad.
2. Poona.

Southern India Regional Council

1. Bangalore.
2. Coimbatore.
3. Madurai.
4. Hyderabad and Secunderabad.

The branches have already started functioning. It is hoped that they would bring about greater uniformity in professional standards, by spreading knowledge as regards advances in professional technique and processes.

Buildings at Regional Centres

The interest of members in the activities of the Regional Councils in recent years having greatly increased the building at 7, Russell Street, Calcutta is already being found to be inadequate. Accordingly plans have been prepared for the construction of a hall at a cost of Rs. 55,000.

The additions and alterations at Madras, which had been halted for some time on account of non-availability of building material are now in full swing and it is expected that the construction of the building would be completed in another few months.

A building, known as "Beach Manor" situated on Cuffe Parade, Colaba, Bombay was purchased during the year for the Western India Regional Council. Steps are in progress to make suitable additions and alterations in the building for the same being used for the purposes and activities of the Regional Council.

Despite vigorous efforts so far it has not been possible to acquire a suitable property for the Central India Regional Council at Kanpur.

Student's Associations

The Students' Associations during the year have been quite active. Lectures, Meetings, tours to Industrial Centres and Business Establishments and excursions were arranged by some of the Associations.

Coaching Scheme

During the year ended at 31st March 1962, 988 students were enrolled, 912 for the Intermediate and 76 for the Final Course. Besides, 670 students after having passed the Intermediate Examination started their course of studies for the Final Examination. In the immediately preceding year, the total number of students enrolled was 1,017; 936 students for the Intermediate and 81 for the Final Course; and only 414 students on having been declared successful in the Intermediate Examination, started tuition for the Final Examination.

From the statistics as regards number of students enrolled and those who were able to complete the courses of tuition, given below, it would appear that 731 candidates on satisfactorily completing their courses of tuition were permitted to appear for the Intermediate Examination. Of these and others certified for earlier examinations 671 candidates were declared successful. Similarly 337 candidates were permitted to appear for the Final Examination, 157 for both the groups and 180 for one or other of the two groups. Out of these and others certified for the earlier examination 47 were successful in both the groups and 179 in one or other of the two groups.

Only one volume of Suggested Answers was published during the year as against 2 in the previous year. As a result 6,102 volumes only were sold as against 6,600 sold in the previous year.

The details as regards number of students who were undergoing courses of tuition at the close of the year are shown below:
